ACKNOWLEDGEMENTS

I would like to express my sincere thanks to the Central Department of Geography for providing me an opportunity to conduct thesis on “LIVELIHOOD STRATEGY OF URBAN POOR: A Case Study of Squatter Settlement at Balaju, Kathmandu.” This study is undertaken as partial Fulfillment for my Masters’ degree of Arts in Geography.

I am extremely grateful and indebted to my respected 'Guru' Prof. Bhim Prasad Subedi, Head of the Central Department of Geography for providing me an opportunity to conduct this Thesis under his supervision. I cannot forget his invaluable guidance, supervision and inspiration during the preparation of this Dissertation. I must express my deepest respect for his perennial support and encouragement to accomplish this study.

I would like to express my gratitude to my respected teacher Mr. Kanahaiya Sapkota for his sincere guidance and suggestion to prepare this report. I would like to express my gratitude to my respected teachers Prof. Dr. Puskar Pradhan, Dr. Narendra Raj Khanal Dr. Padma Chandra Poudel.

Likewise, I am indebted to my respected teacher Mr. Dharani Kumar Sharma for providing me valuable guidance, suggestion to prepare this report.

Thanks are due to all the teachers and staff of the Central Department of Geography T.U. for their valuable suggestions and kind help during preparation of this dissertation. As this study is a part of research project funded by Swiss National Centre for Competence in Research NCCR North-South, I would like to offer my sincere gratitude to the concerned institute for providing the financial assistance for the promotion of this study.

I am thankful to Mr. Basant, Tilak, Himlal, Dolraj, Nim, Chhabi, Tara, Narayan Gitta, Laxman, and all my friends for their valuable co-operation during preparation of this dissertation. I am equally thankful to the people of Balaju squatter Settlement who provided necessary information and possible help to accomplish this thesis.

Finally, I do not have appropriate words to express my gratitude and indebtedness to my parents for their encouragement and continued support. I also like to thank my brother and sister for their co-operation and moral support for the completion of this dissertation.

20th July, 2006

Phanendra Bahadur Madai

“This study was conducted within the framework for the Work Package 2 (Livelihood Options and Globalization) of the Swiss National Centre of Competence in Research (NCCR) North- South: Research Partnerships for Mitigating Syndromes of Global Change. The NCCR North –South is co-funded by the Swiss National Science Foundation (SNF) and the Swiss Agency for Development and Cooperation (SDC)”.
