## Acknowledgements

I owe a deep of gratitude to Mr. Binay Shrestha Lecturer of Birgunj Public College, Birgunj, Parsa for his constant encouragement, patient guidance and valuable supervision at every stage of my work. This work would not have been materialized in the present form without his incisive observations and intellectual direction in the course of completion.

I am also grateful to Dr. Deepak Shakya, Head of Research Committee, Birgunj Public College, Birgunj, Parsa whose valuable suggestion and co-operation enable me to write this thesis in the present form.

Thanks are also due to the staffs of **Nepal Pharmaceutical Lab. Pvt.Ltd.** for providing the annual reports, without which this research study would not have been possible.

I would like to express debt of gratitude to my parents & friends for their continuous support in my efforts.

Needless to say, to error is human kind and I am also no exception, so I alone am responsible for any deficiencies that may have reminded in this work.
