This research study on "A Study on Profit planning Practices of Manufacturing Industry: A case study of J.Bs' Industry has been prepared for the partial fulfillment of the requirement for Master's Degree in Business Studies (MBS). The Industry can generate revenue only when it is able to sales it's products. Therefore profit planning is essential to manage it's future profit. It is widely accepted practice in business organization.

J.Bs'Industry. is one of the major industry of Nepal which has been planning a significant role in the national development. The company is only in a position to meet National demands. Profitability condition is not good so this study will be useful to provide information & draw attention of J.Bs' Industry Ltd. management regarding what can be done for future planning of profit.

I am extremely grateful to my respected teacher & the supervisor of this dissertation Associate Professor Yamesh Man Singh who guided & proved excellence supervision me to make this research. Without his kindly help & valuable guidance this thesis would not have come in this form.

I would like to offer my grateful thanks to my respected teacher Dr. Geeta Pradhan, Head of Research Department of Shanker Dev Campus for her suggestion. I express my thanks to campus chief Kamal Deep Dhakal & all the staff of Shanker Dev Campus for kind co-operation & valuable suggestions.

Similarly, I would like to thank for all the staffs of J.Bs' industry, especially to Bisnu Sir for providing various related information for this study. Finally I express thank to Mr. Shyam poudel & Jayabageshwari Communication,Jyabageshwari for timely service in typing & designing this thesis.
