T.U.Reg.No: 7-2-302-125-2002

ACKNOWLEDGMENT

The Completion of this study is the outcome of valuable suggestions and superior guidance of several hands, as a partial fulfillment for the requirement of Master's Degree of Business Studies (MBS).

First of all, I would like to extend my sincere gratitude to Mr. Bharat Bhusal, Lecturer of Lumbini Banijya Campus for his precious guidelines and supervision during the preparation of this thesis.

I also express my profound gratitude to Dr. Ishwor Gautam, Head of the Research Committee and Campus Chief of Lumbini Banijya Campus for his inspirational support and suggestions. I am also thankful to my friends Yadav Khatri and Keshav Khanal for their valuable suggestions. Likewise, I would also like to express my thanks to the staffs of NRB, NEPSE and SEBON for providing me relevant and necessary information and data for the study.

I am also grateful to all the respected teachers of Lumbini Banijya Campus who taught me and all staffs of administration office. I would also like to thank all the staff of library, Central Library of Tribhuvan University.
