ACKNOWLEDGEMENT

I would like to thank many people who have helped me and encourage me to bring out this research work.

Firstly, I owe a debt of gratitude to my respected thesis supervisions Dr. K. D. Manandhar and lecture of Shankar Dev Campus. Who have supported me by giving guidance, advice and valuable suggestion and unending sympathy through my research work.

I would also like to thank to the senior officer and other staff member of NEPSE, NCM mutual fund and CUS mutual fund for providing me necessary. Information and data without which my research would have been incomplete.

My special appreciation goes to Dr. K.D. Manandhar. Staff of Shankar Dev Campus Library, T.U. Library for their assistance in providing valuable materials.

Lastly, my heartiest thanks go to my family member and college staffs along with classmates who have supported me by providing consistent help and encouragement.
