## **ACKNOWLEDGEMENT**

This study has been possible with the generous help and cooperation of many. I, therefore, wish to convey my heartfelt thanks and sincere appreciation to all the people who have been very kind to me in the preparation of this study.

I wish to express my sincere gratitude and deep respect to my supervisor Shashi Kant Mainali and Dhurba Subedi, of Shanker Dev Campus under whose scholarly guidance, I could complete the present work. I would also acknowledge all the faculty members of Shanker Dev Campus for their valuable suggestions.

I am equally thankful to many friends, with whom I have spent time discussing their experience; I wish to thank all of them for their time and effort in helping me in research writing. Lastly, I would like to express my heartiest thanks to my parents for their moral as well as economic support during the study period. It is hoped that it will stimulate a wide circle to engage in discussion on the relevant issued. Any errors of judgment and fact are my responsibility although every effort has been made to eliminate the latter following the comments received from various personnel

Last but not the least I would like to express my gratitude to Miss Shakun Acharya for her entire computer work.
