ACKNOWLEDGEMENTS

This report is a result of continuous efforts made and cooperation extended by many people and organizations. The project would not have been possible without the kind support of various personalities. Therefore, I would like to take this opportunity to express my sincere appreciation to all those without whose guidance and support my report would not have been what it is.

I would like to express my sincere thanks to Prakash Singh Pradhan for his continuous help, cooperation and guidance. Without his continual efforts to motivate me, this whole learning process would have been incomplete. This report is prepared under his support. I highly appreciate the time he spent with me and in me.

During the preparation of this report, I received a wholehearted cooperation from the human resource managers of different organizations. My special thanks to them for filling the questionnaire and solving my queries.

I would like to express my sincere thanks to all my friends for encouraging me. Once again, thanking all the people, without whose support, I could not have been able to accomplish this report.
