ACKNOWLEDGEMENT

This study is undertaken as the dissertation work for partial fulfillment of the Master's Degree of Business (MBS). During the study period I found myself fortunate enough to receive a good deal of help and inspiration from various persons and institutions. So I would like to express my sincere thanks to all of them.

I am greatly indebted to my thesis supervisor Dr. Karna Bir Poudyal, Prithvi Narayan Campus, Tribhuvan University, for his incredible support and valuable guidance throughout my entire research work. I wish to extend thanks to my respected lectures, faculty members and Research Committee of Prithvi Narayan Campus, who enable me to get MBS degree.

I would like to express my sincere appreciation to Commercial Banks Staffs and Nepal Rastra Bank's Employees who provided me various book, study materials, suggestion and information which greatly help my work.

Lastly, I owe deep debt of grateful to my family members for their support, cooperation and encouragement in preparing this study successfully.
