ACKNOWLEDGEMENTS

I am extremely grateful to my respected supervisor Mrs. Rima Devi Shrestha for her continuous guidance and support for this research study. It is strongly believed that the conclusion would appear without the counseling, recommendation, proper guidance and good supervision of Mrs. Rima Devi Shrestha. So, I mainly express cordial gratitude toward her.

I would like to express my sincere gratitude to Dr. Bihari Binod Pokharel for his valuable ideas and suggestions that escorted the research to this level. Then, I would like to thank my entire family and friends for valuable suggestions and cooperation.

During the literature review for the study, Nepal Commerce Campus family supported the online facilities for my study. I also thank them for their cooperation.

My overriding debt is to my family members because of their concrete support in this task. I would also like to my friends Chanda Panday, Chuda Raj Adhikari, and Swaraj Pokharel for their valuable support to complete this thesis.
