ACKNOWLEDGEMENT

This research study is conducted on the topic "**A Study on Brokering Services in NEPSE**" as a partial fulfillment of the requirement of the degree of Master of Business Studies (MBS) from Tribhuvan University. The main contribution of this study lies in explaining and exploring the facts prevailing in the present situation at NEPSE relating to Brokering Services. In addition, this study will enhance the existing investor's knowledge and gives framework for the new investors. Furthermore, it helps the stakeholders, mainly, the investors who are interested in Nepalese Capital Market.

For the valuable guidance throughout the study period, firstly, I express my gratitude towards my respected supervisor *Associate Professor* **Devendra Pal Shrestha** of the Saraswati Multiple Campus. This study could not be possible in time without his profound suggestions and motivation. I would like to thank Mr. Kesav Raj Pantha Associate Prof. a Chairman Research Committee for his cooperation and motivation. I also thank Mr. Basu Dev Pandey, IT Officer of Nepal Stock Exchange and other staffs of NEPSE for their kind cooperation in providing the necessary data and information. I am also grateful to the Staffs of libraries of Sarsawati Multiple Campus and Nepal Telecom for their cooperation in providing required study materials and information.
