Roll No. 193/063

ACKNOWLEDGEMENTS

I would like to express my deep respect and sincere gratitude to my respected Lecturer, Achyut Gyawali for his valuable guidance, supervision, suggestion and spiritual encouragement during the preparation of this dissertation and has made me enable to bring this research in this form.

I would also like to express my heartfelt thanks to all my respected teachers and librarians of Central Department of Management who helped inspired and supported me directly and indirectly to shape out this research. I would like to show my inclinations towards my seniors and peers who supported me with countless valuable tips and hints during my complications and data collection period.

I am extremely grateful to all the staffs of SCBL, NABIL, NIBL Ltd. for their generous help and cooperation while preparing this thesis.

I am highly indebted to my parents and other family members who scarified their time and efforts for my higher education.

Last but not the least, I must remember all my beloved friends from the core of my heart for their direct or indirect co-operation and support in preparing this thesis.

Thanking Your

Madhavi Lamsal
