ACKNOWLEDGEMENTS

This is such a mind-blowing opportunity for M.B.S. students, which has been provided by TU. As for as thesis is concerned, it really increases the knowledge of the students in the course of analysis in their respective work. It helps the students to show their capacity as well as practical experience for future works.

I attempt to prepare a thesis based on capital structure management of manufacturing companies. I would not have accomplished this thesis without the help of several hands. However, the thanks would be insufficient for them. However, I would like to express my heartfelt gratitude to all those respondents for their help and support.

To prepare this thesis the regular inspiration has been provided by my supervisor **Prof. Dr. Sushil Bhakta Mathema** Head of Research Department and **Mr. Prem Kumar Bisowkarma** Lecturer of Nepal Commerce Campus and who gave me the valuable time and suggestion for preparation of my thesis. The co- operation and co- ordination in providing information and data by staff of security Board, Thapathali cannot be overlooked. In addition, I am grateful to library of Nepal Commerce campus.

I would like to express my hearties gratitude to my parents, family members and beloved friends too. Special thanks would go towards Mr. Ramesh Shrestha who supported me to accomplish this thesis in whatever way it is possible. My friend Anu Shrestha is also the necessary factors for my thesis.
