ACKNOWLEDGEMENT

This research entitled “Relationship between Liquidity and Profitability of Joint Venture Banks in Nepal (With Reference To Everest Bank, Himalayan Bank and Nabil Bank Limited)” has been prepared for the partial fulfillment of the requirement for the Degree of Masters of Business Studies. The general purpose of the study is to discuss, examine and evaluate the trade off between liquidity and profitability position of the concerned joint venture banks of Nepal.

The Completion of the study is a result of help and support of several hands. Therefore, I would like to express my heartfelt gratitude to all those respondents for their help and support.

I am very much grateful to my supervisor Prof. Snehalata Kafle and Pitri Raj Adhikari and my other respected teachers of Shanker Dev Campus, for providing me valuable suggestion, information and comments.

I want to extend my debtness to respected companies who provided the reports and study materials. Likewise, I am thankful to the librarians of Shanker Dev Campus and Central Library of T.U., who helped me providing necessary information and suggestions.

I would like to express my sincere thanks to my parents and family members, who always encouraged and inspired me continuously in whatever way it is possible.
