ACKNOWLEDGEMENTS

This thesis is prepared and submitted to the Faculty of Management as partial fulfillment of the requirement for the degree of Masters in Business Studies (M.B.S.)

Writing this paper has been an unique experience altogether. Many helpful hands are involved to support me for preparing this thesis. Firstly I would like convey my most grateful thanks to my thesis supervisor Mr. Bhupal Jaishi of Prithivi Narayan Campus who has immensely contributed their time and labor to guide me for preparation of this thesis. Without their guidance and valuable suggestions, it would have been extremely difficult to bring it to fruition.

I would like to pay my sincere thanks to my parents, My wife Shanti Lamichhane and friends Rishi Ram Sapkota, Umesh Poudel, who has always inspired me by giving suggestion and comments at an early stage.

I also owe an indebt ness to all reputed authors whose writing have invaluable material for the enrichment of my research paper in all possible ways.
