ACKNOWLEDGEMENT

This study report is prepared as dissertation for the partial fulfillment of requirement for the master's of Business Study. It analyses, loan and advance from the view point of credit management from theoretical as well as practical experience.

I take opportunity to acknowledge my deep sense of gratitude to my supervisor and head of research department **Dr. Puspa Raj Sharma**, Prithvi Narayan Campus, TU, whose valuable guidance and instruction made this study a felicitous adventure for me. This thesis might not have been completed without his continuous encouragement many helpful suggestion and comments.

I am grateful to my family and friends who helped and spent their valuable times and efforts. I would like to share the credit of my success with them.

I also want to pay my hearty to staff of Himalayan and NABIL Bank Limited for providing necessary data. And I would like to thank Kanchan Computer Sewa for help in typing and binding this dissertation.
