ACKNOWLEDGEMENT

This thesis entitled “*Analysis of Risk & Return of Selected Commercial Banks in Nepal*” has been a matter of great pleasure for me to complete this thesis under the supervision and constructive guidance of respected adviser Rita Maskey Lecturer of Shanker Dev Campus. She has been highly helpful in providing all sorts of guidelines, constructive, critical and analytical support in order to complete this thesis in the form as required by the faculty of management, Shanker Dev Campus and Tribhuvan University for the partial fulfillment- Degree of Master in Business Studies (MBS).

I would like to extend my profound gratitude to all honorable teachers of Shanker Dev Campus, staffs of library and administration of the Campus and all my colleagues who helped me directly and indirectly for the completion of this thesis.

I would like to extend my appreciation to the staffs of selected banks who provided me the necessary data and information.

I must also acknowledge to Central Department of Management- TU, Central Library of TU, for providing encouragement and necessary books, journals and articles.

Finally, I would like to extend my heartily thanks to all the members of my family and relatives who inspired me in many ways to cope during the entire period of the study.
