Acknowledgement

With my sincere obligation, I express my deep sense of gratitude to all those who have helped me by extending and sharing valuable time, efforts, views, and inspection In the course of completing this research work in the present form.

At the onset, I am obliged to my supervisor Prof. Mrs. Rucheela pandey, Assistant Campus Chief and Lecturer Mr. Kiran Thapa, Shanker Dev Campus for their scholarly guidance, gracious inspiration, constant supervision and affectionate behave during his supervision can hardly be exaggerated.

This study has been made to find out the status of the stock market behavior of listed companies in Nepal. In the course of preparing this thesis, I had an opportunity to exercise my knowledge with different experts in this field, which inspired me to study more in this area.

Furthermore, I would like to pour my words of gratification to my respect friends Krishna Maharjan , Prabin Shrestha, Keshavdhar Shrestha of Trishul Securities and Gahendra Shrestha of Midas Stock Broking Company for their worthy guidance that proved to be highly significant throughout the preparation of this thesis.

Lastly, I hope this study work will be fruitful to all interested and concerned people in the field of stock market. I look forward for comments, compliments from all well-wishers, and admit there is always room for improvement. Finally, needless to say, I am alone responsible for my any deficiencies that might have remained in this work.
