ACKNOWLEDGEMENT

This dissertation has been prepared in the partial fulfillment of the requirements for the degree of Master of Humanities and Social Sciences in Sociology for Tribhuvan University, Central Department of Sociology, Kirtipur, Kathmandu.

Firstly, I would like to express my sincere gratitude to Head of the Department Prof. Dr. Tulsi Ram Pandey for the continuous support of my thesis. Similarly I would like to express my cordial gratitude to my respected guide Dr. Tika Ram Gautam for his continuous guidance and supervision. Similarly, I would like to thank the administrative staffs for their valuable support. I am also very grateful to other teachers of Central Department of Sociology of Tribhuvan University as well as colleagues whose suggestions and comments helped me to make this study systematic. Also, I should acknowledge the staffs of TU central department of sociology.

Eventually, I would like to thank all People of Magar communities of Devchuli municipality of Nawalparasi district, who supported me to collect the information to complete this study. I also like to thank all those who have contributed directly or indirectly to complete this study.

Ashesh Panthee
