ACKNOWLEDGEMENTS

The research work entitled "Sector-wise Share Price Behavior in Nepal Stock Exchange" has been prepared for the fulfillment of the requirements of the degree of Masters Business Studies.

First of all thanks to the entire helping hands in ordered to complete the work successfully. I would like to express my profound gratitude to my supervisor Hari Prasad Pathak, Lecture, Faculty of Management, Prihivi Narayan Campus, Pokhara. I am extremely grateful to his invaluable guidance, support inspiration and precious time for my entire work. This thesis work would not have materialized at the present form without his incisive observation and intellectual direction in the course of the thesis. I am equally grateful to all the faculty members of PN Campus. Also I would like to express my sincere thanks to all the staff of Western Regional Library, Libraries of SEBON and NEPSE for providing me the required data during the study period.

I am greatly indebted to my father mother and brother for their supports and inspiration in the journey of my higher education. Heartily thanks go to my friends Lal Bahadur Chhetri and Bimala Kumari Poudel for their encouragement. Lastly, I am solely responsible for any errors present in this thesis.
