ACKNOWLEDGEMENTS

Thesis is really an appreciable curriculum of T.U. because it helps the students to express their theoretical concept gained during the study period into the practical field. So, being concerned to thesis, I have also got a chance to express my theoretical concept gained from class and library study into this practical field. The present study “SAVING, INVESTMENT AND CAPITAL FORMATION IN NEPAL, A MACRO PERSPECTIVE” has been prepared for the partial fulfillment of the requirement for Master Degree in Business Studies.

At first, I would like to pay thanks to my father and mother as well as my brother who headed me towards the light of education and path of truth. Due to their non-stopping effort for guidance, today I come in this position. So I would like to share the credit of my success with them. I'm really indebted by them.

After this, I would like to express my cordial gratitude to my all teachers. For this dissertation, I would like to pay my sincere thanks to my thesis adviser—**Dr. Bihari Binod Pokharel** Associate Professor, Nepal Commerce Campus and Dr.Prakash Neupane.Associate professor, Nepal Commerce Campus. Their incessant suggestion and guidance from the beginning to the end is really an appreciable effort. The same credit also goes to **Dr. Bihari Binod Pokharel**, head of the Research Department, NCC. His valuable support for the preparation of proposal to thesis is really praise worthy things. I am extremely indebted by their efforts despite of their busy schedule.

I would also like to express my gratitude to all other members of Nepal Commerce campus, especially, staffs from MBS department, libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. Similarly i am very grateful to my respective teacher Mr. Roshan Goshain. My next thanks go to all the staffs of Nepal Rastra Bank, for providing me sufficient materials and suggestions.

Last but not least I am greatly indebted by my all friends and family members. In this regard, I'm grateful to my friends Kabita Pandey, Durga Lamsal Bharat Parajuli, Dev Raj Bhurtel and Bharat Upprety for their motivational effort and support even though they have very busy hour.

Advices, Recommendations and suggestions are whole-heartedly welcome.
Thanks

Prakash Sapkota
