Acknowledgements

I would like to express my profound gratitude to my thesis guide Dinesh Kumar Bhandari, lecturer at the Central Department of English, for making constant supervision and guiding me with regular inspiration, encouragement, and insightful suggestion throughout the study. His vigorous efforts made me present this research work in this form. I am also indebted to the Head of the Department Prof. Dr. Jib Lal Sapkota for the valuable directions and for providing me favorable environment in conducting the research.

I would like to extend sincere acknowledgement to the entire group of Professors, Readers, Lecturers, and the Teaching Assistants of the Department for their valued inspiration. I would like to express my sincere thanks to my colleagues and all my well-wishers who directly and indirectly helped me to complete this work.
