ACKNOWLEDGEMENT

Banking sector is the back bone of finance and the finance is the energy of a nation. In this regard, I had an interest to make a detailed study of the banking sector, specially after the failure of the two gaint bank viz. Nepal Bank Limited and Rastriya Banijya Bank, in the recent years to perform the commercial banking activities.

As a part of the study of the banking actives of Nepalese banks, I have at present, made this attempt to study the comparative financial performance of two bank under the topic “Financial Performance of commercial banks: A comparative case study of Himalayan Bank Ltd and Everest Bank Ltd.”

I gratefully acknowledge the inspiration, co-operation, encouragement, help and valuable suggestions received form Miss Bindu Gnawali lecture of Tribhuvan Multiple Campus, during the preparation of this thesis.
