ACKNOWLEDGEMENT

This study is mainly concern with the analysis of **“REVENUE MANAGEMENT AND ITS IMPACT ON PROFITABILITY OF CLEAN ENERGY DEVELOPMENT BANK LIMITED.”** It has been prepared as per the course of Master of Business Studies; second year. The thesis could not be initiated without the assistance of some gracious people whom I must thank.

I am extremely grateful to my thesis supervisors Lecturer Joginder Goet, who gave me fruitful suggestions and guidance to frame out this report and Tribhuvan University for their generous encouragement and undertaking the supervision of my entire research work.

I would like to thank the staffs of Clean Energy Development Bank Limited for making me available needed resource materials and data. I also want to remember the librarians of Shankar Dev Campus and Central Library, T.U., who have helped me a lot by providing necessary books, thesis and information as well. Similarly I express my thanks to the staffs of the Thesis Department for their kind co-operation, help and support.

I am thankful to my friends who directly or indirectly supported me during my research, especially Mr. Binod K C for being with me all the time till the completion of this research. At last, I would like to express my sincere gratitude to my parents for always encouraging and inspiring me in whatever way it is possible.
