ACKNOWLEDGEMENT

This thesis entitled “*Analysis of Risk and Return on Listed Commercial Banks in Nepal*”. I humbly wish to extend my deep sense of indebtedness to Lecturer Rita Maskey my thesis supervisor, who provided me valuable guidelines, insightful comments, encouragement and generous treatment to complete this thesis. This work never has been come out in the present form without their inspiration, valuable suggestion and guidelines. Similarly, I am also extremely indebted to all honorable teachers of Shanker Dev Campus, staffs of library and administration of the Campus and all my colleagues who helped me directly and indirectly for the completion of this thesis.

I would cordially like to extend my appreciation to the staffs of selected banks for providing me the necessary requisites. In addition, I would also like to acknowledge Central Department of Management T.U., Central Library of T.U., for providing encouragement and necessary books, Journals articles and Thesis.

My further thanks goes to my parents who always inspired me to complete this Journey of higher education from the benchmark of my academic qualification without their encouragement and inspiration my higher education could not have been fulfilled.
