ACKNOWLEDGEMENT

First of all, I would like to express my sincere gratitude to my respected teacher and thesis supervisor Bala Ram Acharaya who inspired and advised throughout this thesis in spite of his important schedules.

I am grateful to Prof. Dr. Tulsi Ram Pandey, Head, Central Department of Sociology, T.U, Kirtipur who gave me very kind administrative support. My sincere thanks also goes to all the respected teachers of Central Department of Sociology for their direct or indirect valuable academic support in various steps of this study.

I would also like to acknowledge the help of the Chandragiri Municipality chairman Shree Thapa Magar, sample households, respondents for kindly sparing their time in responding to my interview scheduled and additional questions without any hesitations in data collections regarding my topic. I must appreciate the kind help of all my family members during the preparation of this dissertation.

At last but not least I am very much grateful to my friends for their perpetual supports to every aspect in completion of this dissertation.

Sujina Thapa
