ACKNOWLEDGEMENTS

Completing and presenting this thesis report in this form were neither an easy task nor possible by my sole effort. However, the job has been completed successfully because of the valuable cooperation and guidelines from different individuals. It will be truly injustice if these powerful minds are not collectively memorized.

First and foremost, it would like to express my gratitude to my thesis supervisors Prof. Dr. Ramji Gautam, for their precious guidelines and support to complete the thesis.

I am extremely grateful to my teachers, colleagues and well-wishers for their full support, encouragement and ingenuity, which supported and cooperated with me to complete the thesis, deserve special appreciation.
