## **ACKNOWLEDGEMENTS**

No such a research work would have successfully completed without the resource to various persons. I am much indebted to Mr. Mohan Singh Thebe, Head of Department of Department of Sociology, Mahendra Ratna Multiple Campus for his inspiration and support to accomplish this study. I owe my hearty gratitude to Mr. Santosh Parajuli, Department of Sociology, my honourable thesis supervisor for his regular and tireless assistance, cooperation and supervision of my work. His patient cooperative nature, enthusiasm, suggestions and interest in this study have really left ever memorable impressions. It is his insightful guidance and meticulous supervision that enabled me to present this work in such a form. So, it is very difficult to find words to express my gratitude to him for his kind and valuable time in preparing this thesis.

This micro level of study in basically done on the participants Meche living in Arjundhara Municipality, Jhapa district and it has attempted to analyze the socio-economic status of Meche women living in this area. I am thankful to Meche people in Arjundhara of Jhapa district which I visited for data collection. The community people helped me in providing with helpful data.

Last but not the least, my sincere gratitude and acknowledgement goes to my parents for their co-operation in the preparation of this thesis. Without their constant and tireless efforts, I doubt this work would have been completed. Moreover, I would like to extend my thanks to Mrs. Shakuntala Khanal for her efforts in computer typing, printing and binding of this report.
