**Researcher**  
**T.U. Registration No: .....**

## **ACKNOWLEDGEMENT**

I would like to express my cordial appreciation and sincere gratitude to Shankar Panthi sir, for providing me his valuable time and suggestions, expert comments, continuous co-operation and timely supervision throughout the period of the study and also to Prem guring sir (head Research & Development department) and also to lucky prasad joshi sir for their kind help and support to complete my thesis work.

I am indebted to my parents who regularly encourage and supported me in every critical situation of my life and made me able to complete this study.

I am thankful to Mr. Mahesh Thapa for the valuable information about the pharmaceutical Industries and kind help during the research. I couldn't stop giving thanks to all my respondents who provided me their valuable time and information to respond the questions.

Finally, I am indebted to my family and friends for their inspiration and consistent support in whatever way it is possible.
