ACKNOWLEDGEMENTS

This research work could never have been completed without the invaluable cooperation and assistance of many individuals and organizations.

First and foremost, I wish to express my sincere and deep sense of gratitude to my respected thesis supervisor Associate Professor Dr. Puspa Raj Sharma for his guidance, Department of Management, PNC for their valuable suggestions, encouragement and guidance in supervising my research work. Without his support this thesis would not have completed. They have provided me much of their precious time in the completion of this work. Their wise counsel and guidance provided me the inspiration to go ahead with the work.

I am also grateful to all the staff of Prithvi Narayan Campas and Professors, Lecturers, as well as the assistance and guidance of administrator Mr. Prakash Thapa of the Department of Management, PNC whose suggestions made me able to finalize this thesis.

I gratefully acknowledge the active cooperation received in data analysis, Yubraj Banstola of Everest Computer Institute, Bagar, who helped me from beginning to and while preparing thesis in typing , printing, binding etc correctly and nearly in time.

I must express debt of gratitude to all the member of Regional Library of Prithvi Narayan Campas for their co-operation and support. I would like to thanks to all staff of Machhapuchhre Bank Limited for their Co-operation and support with providing data and information.

I would like to heartfelt thanks my family for their continuous supporting my efforts. and my friends Bharat Basnet, Bishal Khadka, Isha Pathak for providing me necessary materials, documents and suggestion during the thesis preparation. I hope this small effort of mine will be great value to those who are involved in financial performance analysis of MBL on the framework of CAMEL and all others future researcher of this area.
