ACKNOWLEDGEMENTS

This thesis entitled in “**Stock Price Behavior of Listed Commercial Banks In Nepal**” has been carried out on behalf of the Fulfillment of the partial requirement of the Master in Business Study (MBS) on the course of completion of this thesis study, I was able to gain and share a lot of sweet memorable moments as well as better experiences. However, I got acquainted with the various terminologies, literatures and different personalities from different sectors as well.

Firstly, I extremely indebted to my thesis supervisor **Associate Professor Dr.Achyut Gyawali**, for his generous encouragement through out my entire research work and I shall ever remain indebted to **Prof. Dr. Sanjaya Kumar Shrestha**, . This form of my study is the result of their continuous help, suggestions, comments and the guidance.

Similarly, I am thankful to all the staffs of Tribhuvan University and all the staffs of central library. I am also thankful to my all friends for their valuable support in writing this thesis.

I thank this study is the sole contribution, inspiration of my parents and whole family, their regular inspiration and continuous contribution are the secrets of my success.

Finally, I would like to thank all the individuals and commercial banks whose efforts I have used as reference for this study.
