ACKNOWLEDGEMENTS

It is my great pleasure to submit this thesis under the guidance of Mr. Sudeep Nakarmi of Central Department of Sociology, Kirtipur Tribhuvan University. I heartily appreciate his invaluable supervision and useful guidance and no words can fully express my feeling of gratitude to him.

At this moment I cannot forget teaching and non-teaching staffs, Central Department of Sociology, T.U, especially head of department Prof. Dr. T.R. Pandey and faculty members who inspired me by showing keen interest in my work. I would be thankful to the all respondents who co-operated kindly and answered all my questions without any hesitation.

My dear parents deserve my deepest regard for their continuous great effort and bearing conscientious responsibilities to facilitate my academic endeavor. I would like to thank my friends for valuable suggestion, continuous encouragement and help throughout the thesis work.

My appreciation and sincere thanks go to the key informants especially VDC Secretary, JTA and women respondents who answered the questions regarding the research. Needless to say, I apologize for any errors committed in this work.
