ACKNOWLEDGEMENT

This thesis entitled “Geo-economic analysis of regional trade of Nepal” has been prepared for the partial fulfillment of requirements for the Degree of Master of Arts in Economics.

I would like to express my sincere thanks to my thesis supervisor Prof. Tara Prasad Bhusal, Associate professor, Central Department of Economics, University Campus, Kirtipur, Tribhuvan University, for guiding and helping me to write this thesis. I am grateful to his continue support and encouragement. I am grateful to Prof. Shiva Raj Adhikari, PhD, Head of Department of Economics for his Suggestion and guidance. I also express gratitude to all teachers of Central Department of Economics for their constant support during the study. I would also like to thank all the non-teaching officials of central Department of Economics.

I want to my indebtedness Uma Shankar Prasad (Associate professor of central department of economics), my friend Santosh Prasad Sah and my brother Sanjay Prasad Chaurasiya who helped me and providing all details of this topic. I am grateful to my friend Narayan Ghimire for language and grammatical editing and for technical supports. I am indebted to all my mother Gaudam Devi, and all my family members. I would be uncompleted without the support of all respondents for providing me valuable information for this study.
