ACKNOWLEDGEMENT

The thesis entitled “**Dividend Policy And Its Impact On Market Price Of Stock**” has been taken in partial fulfillment of the requirement for the course on Research Methodology for the degree of Master of Business Studies (MBS) of Tribhuvan University. This research report is an honest effort to record my outcome of efforts and commitment, which would not have been possible without the contribution of many individuals which helped me in many aspects during its preparation. Therefore, I would like to take this opportunity to sincerely express my gratitude to all of them.

My heartfelt thanks goes to respected teacher **Shree Bhadra Neupane** of **Shaker Dev Campus** for providing me with such research and also for his guidance, constructive criticism, unstinted inspiration and continuous support rendered to me throughout the course of this research.

I also feel highly obliged to all the people from different organization for providing me the necessary data and information related with the study. Their friendly behavior and warm co-operation helped me a lot to prepare this report.

I owe sincere thanks to my colleague of Shanker Dev Campus for providing their help and moral support to prepare this report. And last but not the least, special thanks goes to my family for their continuous inspiration and encouragement without which this report would never have been possible.
