## AKNOWLEDGEMENT

This research study is conducted on the topic "Procedures of Premium Collection, Investment Pattern and Returns" as a partial fulfillment of the requirement of the degree of Master of Business Studies (MBS) from Tribhuvan University. The main contribution of the study lies in explaining and exploring the facts prevailing in the present situation at premium collection, investment pattern and returns relation to NLIC co. ltd. In addition, this study will enhance the existing investor's knowledge and gives framework for the new investors. Furthermore, it helps the insurer, insured, investors and stakeholders, mainly, the investors who are interested in insurance market.

For the valuable guidance throughout the study period, firstly, I express my gratitude towards my respected supervisor and Head of Research Department Baikuntha Prasad Bhushal, supervisor Ganga Sapkota, Program In Charge Sushil Dahal & all Professors of Birendra Multiple Campus who support & encourage me to prepare this research. This study couldn't be possible in time without their profound suggestions and motivation. I also thank all staffs of NLIC for their kind cooperation in providing the necessary data and information.

Finally, debt of gratitude is to my family, friends and colleagues for their outstanding encouragement to conduct this study.
