ACKNOWLEDGEMENTS

I would like to thank Asst. Prof. Rashmi Rajkarnikar as a supervisor who helped with a great inspiration and guidance. I would like to express my gratefulness to Prof. Kushum Shakya, Ph.D, Head of Central Department of Economics who provided me the opportunity to write this thesis.

My veneration goes to all my respected teachers and personnel of central department of economics who conveyed their timely and significant suggestions for this thesis both at formal and informal meetings. I would also like to appreciate to different organizations, institutions and individuals who helped me in this matter.

I would like to express my gratitude and appreciation to my friends and family for their genuine support to complete this thesis.

Despite my utmost care and efforts, I bear the full responsibility for any errors and discrepancies that might have occurred in this study report.

Lok Bahadur Dudharaj
