ACKNOWLEDGEMENT

This thesis entitled “**A COMPARATIVE STUDY OF FINANCIAL PERFORMANCE OF THE NEPALESE COMMERCIAL BANKS: (With Reference to NBL and NSBI)**” has been prepared in partial fulfillment for the degree of Master of Business Studies (MBS) under the course designed by the Faculty of Management, T.U. This study is based on the prescribed research format involving the use of financial ratios in banking sector.

At the time of preparing this study, I have consulted with various personalities. So, I would like to extend my sincere thanks to all whose works and ideas helped me in conducting the study. Sincerely, I would like to pay my sincere gratitude to my thesis advisor **Asso. Prof. Dr. Achyut Gyawali** of Central Department of Management Campus who guided through research work with providing valuable suggestions, supports and supervision.

Similarly, I would like to thank all the bank staffs to support me for helping to conduct necessary survey and complete the study, it would have not been possible to complete the study without their support. I am equally grateful to all authors, whose books, reports and thesis have been consulted during the thesis preparation period.

Finally, I would like to offer my profound gratitude to my family members, my friend, colleagues and well wishers for their encouragement and support during the entire period of my study.
