ACKNOWLEDGEMENT

It would not have been, in the course of the grounding of this thesis, possible without the help of supervisor, friends, respondents of the study area and related institutions and organizations.

So first of all, I would like to express hearty gratitude to my respected supervisor Hari Kumar Ojha for his precious ideas, constructive comments and suggestions during various stages of preparing this thesis.

I would like to thank to the President of Jamale Chisapani Community Forestry User Group, Parbat and its members, and dwellers of Karkineta Village for their positive support and co-operation during my field study. As well as The Principal of Thapathana Higher Sec. School and The Teacher Ganesh Sharma and all the members of School management committee.

I have no any words to express my sincere gratitude to my parents and other family members and friend Kumudraj Rajbhandari for their continuous encouragement and support.

At last, I would like to thank to Quick Computer Service for computer typing and format making respectively with much care and meticulousness. But not least, I would like to thank almighty God for his mercy and gracefulness up on me.

Date:

Bishnu Kumar Shrestha
