ACKNOWLEDGEMENT

The completion of this thesis is a matter of great pleasure for me. It has fulfilled the partial requirement for the Degree of Master of Business Studies as well as helped to enhance my practical knowledge on the subject matter. It wouldn't have been completed without invaluable support, supervision and suggestions from my teachers, seniors, colleagues, and friends. Therefore, I would like to share the joy with all who owe equal credit for it.

First of all my sincere gratitude goes to my honorable thesis supervisor, Dr. Shilu Manandhar Bajracharya, Shanker Dev Campus, who mentored me by directing significant ideas, encouraging to perform the thesis in time besides her invaluable time. I would also like to thank Prof. Bisheshwor Man Shrestha for his valuable suggestions.

Let me offer my sincere thanks to the staffs of SBL and BOK for their support and cooperation in collecting data and other information during the study. I would like to thank the library and all other staffs of Shanker Dev Campus and also the Central Library of Tribhuvan University for providing me the reference for the study. In addition, thanks are also due to all respondents who have shown enthusiastic interest in responding the questionnaire.

Finally, I would like to thank each member of my family and the friends who have consistently encouraged and cooperated to accomplish this task.
