ACKNOWLEDGEMENT

The main objective of research is to identify the Financial Performance of Nepalese commercial bank with reference to BOK, HBL and KBL. The research analyzes the liquidity profitability and investment of commercial Banks in Nepal and provides valuable recommendation.

It is my great pleasure to submit this thesis under the supervision of **Santosh Pokharel**, Central Department of Management, Tribhuvan University. I would like to express my sincere gratitude for his valuable supervision and useful guidelines. Also, I would like to express my sincere gratitude to my External supervisor for his guidance and supervision.

At the time of preparing this study, I had consulted various personalities. So, I would like to extend my sincere thanks to all whose works and ideas helped me in conducting the study. Sincerely I would like to pay my sincere thanks to staff of Library of Tribhuvan University.

My special thanks go to my family members grandfather, Father, Mother brother and sisters for their support, encouragement and help for my entire life. With completion of this thesis, I think I have reached my goal and have also been able to move on to a promising new stage of my life.

Similarly, I would like to express thanks to my friends for their support, encouragement and help for this study work.

Finally, My heartfelt gratitude goes to Mrs. Bhagrathi Budha for her inspiration and supports in the due course of finalization of this dissertation. Without her cooperation and inspiration I could unable to materialize this dissertation. Of course, she immensely supported me by providing a bunch of related books, reference materials and important documents.
