## **Acknowledgements**

I am very much indebted to the Department of English, Tribhuvan University, Ratna Rajya Laxmi Campus for the consent and inspiration to write this thesis.

I owe my deepest and profound gratitude to my supervisor Mr. Rudra Prasad Paudel giving me invaluable suggestions, motivation, encouragement, direction and scholarly guidance for this research work. Without this, I would have never been able to undertake and complete it in this form. Indeed, I am very fortunate to have him as my supervisor. He not only instructed me to improve the theme and structure of writing, but also most patiently corrected my mistakes.

I verily acknowledge my gratitude to my family members for their constant co-operation support and blessings without which my dream of pursuing higher education would never have materialized. Similarly, I would like to remember my friends, especially Mr. Krisna Prasad Bhandari and Ramhari Prasad Bhattarai for their moral support and co-operation.

Finally, I would to thank Mr. Dev Raj Rai for his Export work in bringing this dissertation in the present form.
