ACKNOWLEDGEMENTS

I am overwhelmed to have a great opportunity to give my heart filled gratitude to my supervisor Associate Professor Tara Prasad Bhusal for his frequent encouragement and momentum to accomplish this study. Without his all of my efforts and eagerness would be marred and hence there would be no success in hand.

Further I would like to acknowledge to the head of department Prof. Dr. Kushum Shakya. Similarly, I would like to express my gratitude to all my professors and staff of the department for their valuable ideas, comments and suggestions. Similarly, I would like to thanks to all my colleagues and friends for their helping hands.

At last but not the least, I offer my regards and blessing to all of those who supported me in any respect during this endeavor a success.

Nanu Gurung
