ACKNOWLEDGEMENT

I express my profound gratitude to my supervisors, Prof. Dr. Kamal Das Manandhar and Kiran Thapa of Shanker Dev Campus for their patient and continuous guidance with valuable comments and kind support to me all the way of this Thesis preparation. Especially, I would like to pay my sincere thanks to my parents and friends for their excellent assistance and good council ever since to whom was generous, pain staking and inspiring in their suggestions and comments at an early stage.

I am indebted to authors whose writings have valuable materials for the enrichment of my research paper in all possible ways. I wish to express my sincere gratitude to all the individuals and institutions that generously provided required information to me. I cannot stand without thanking to staffs and investors of Nepal Stock Exchange and to the Library of Nepal Security Board (SEBO) for helping me to find the relevant data.

Last but not least, I express my deep sense of gratitude to my mates for their untiring efforts and unfailing courtesy in preparing out the Thesis in time.
