ACKNOWLEDGEMENTS

Many individual have generally contributed on shaping and bringing this thesis to this point. I am indebted to all of them for their tremendous, help, encouragement and insightful as well as constructive comments.

I gratefully acknowledge the invaluable support, comments and feedbacks provided by my thesis supervisor, Ms. Ruchila Pandey.

Further, I would like to appreciate all the authorities of Nepal Stock Exchange, without the help of them; the thesis would not have achieved its objectives.

Moreover, I wish to extend sincere appreciation and deepest gratitude to my parents for their untiring support, hearing blessing, inspiration and precious suggestion to complete my thesis. I would like to express my immense gratitude to all the friends especially Mr. Mukti Prasad Shrestha for their suggestion and advice.
