ACKNOWLEDGEMENT

The purpose of preparing this thesis is to fulfill the requirement for the degree of Master of Business Studies (MBS). The main objective of this study is to conduct research on the Inventory Management of Unilever Limited. Efforts were made to make this thesis authentic correct and systematic.

I wish to extend my deep sense of indebtedness to my thesis supervisor Yamesh Man Singh, Reader of Shanker Dev Campus who provided me valuable guidelines, insightful, comments, encouragement and generous treatment to complete this thesis. This work never would come out in the present form without his valuable guidelines and suggestions. I could never forget the help of the respondents who provided with valuable information needed for the study. I would, therefore like to express my deep gratitude for their co-operation.

Appreciable thanks goes to staffs of Unilever Private Limited for their cooperation while providing data that are crucial for the study. I am very much indebted to my friends who directly and indirectly helped me with their valuable suggestions for completion of this work.

Finally, I would like to disclose my sincere gratitude to my dearest parents for their co-operation, support and encouragement for the completion of this work.
