ACKNOWLEDGEMENT

The study **“STRUGGLES ON SIDEWALK: TRADING PRACTICES AND COPING STRATEGIES OF STREET VENDORS IN THE KATHMANDU VALLEY”** has been designed to fulfill the partial requirements of Masters in Sociology.

I would like to elongate my sincere honor to Prof. MadhushdhanSubedi, Central Department of Sociology T.U Kirtipur who helped me a lot to complete thesis dissertation and his eternal inspiration and precious supervision throughout the research period. It would be improbable for me to complete my study without his supervision, advice, and direction. I would like to thank him heartily for his support.

I am very thankful to Prof. Dr. Tulsi Ram Pandey, the head of the Central Department of sociology, and other appreciated professors and lectures for contributing constructive suggestions, information, and comments while generating a thesis.

I am greatly grateful to the street vendors of Kathmandu valley for their supportive role for sharing their mind, knowledge, and experiences about trading practices of street vendors.

My straightforward thanks to my parents and friends they have constantly supported and boosted me to present this thesis.

June 2019
