## **ACKNOWLEDGEMENTS**

First of all, I would like to express my sincere gratitude to Department of Sociology/Anthropology, Prithvi Narayan Campus, Pokhara for providing me an opportunity to carry out this dissertation work. I would like to extend my sincere thanks and warm gratitude to my respected thesis supervisor Mr. Netra Narayan Poudel for his excellent guidance, encouragement and valuable suggestions throughout the course of my dissertation work. I am very grateful to the head of the department Mrs. Shanti Bhusal for her kind support.

Special thanks go to Pokhara Foods Pvt Ltd Pokhara, the Union Leader, workers and the administrative committee for managing their time to provide the necessary information and facilities to me whenever required.

Indeed, all the respondents of the survey are mentionable and my thanks go to their participation in the fieldwork to collect all necessary information through questionnaire survey. Without their help and cooperation, this thesis would not have been successfully completed.

Throughout the study, I have been fortunate to receive help and support of various kinds from a large number of respective persons. My heartfelt thanks go to all the campus staffs and my colleagues for their kind help, cordial support and co-operation.

Finally, I am highly indebted to my family members for their constant support, encouragement and frequent inspiration all the way throughout my work. All the members of my family have been always the centre of the success of this study. My parents were the prime source of inspiration who always guided me to acquire higher education
