Acknowledgements

The present thesis could never have come into its present form without the persistent help, guidance and support from my respected teachers, parents and friends. Therefore I would like to acknowledge them all. This thesis owes much to the scholarly guidance and encouragements from my respected teacher Mr. Khem Guragain, Lecturer, Department of English, Ratna Rajya Laxmi Campus, Tribhuvan University. I profoundly obliged to him for correcting manuscript and guiding me in every step.

I am gratefully indebted to my reverent teacher Hriseekesh Upadhyay, Head of English Department, Ratna Rajya Laxmi Campus, T.U. for providing me an opportunity to carry out this research work. Along with this I would like to express my profound gratitude to my honourable teacher Mr. Rudra Paudel for his kind suggestions. I am thankful to all respected teachers who have directly or indirectly helped me in the course of writing.

The encouragement and support from friend and fellow students has been equally tremendous. I am thankful to Pashupati Joshi and Pushpa Sigdel for helping me in computer. I am equally thankful to Min Pd. Dawadi, Shova Dangol and Sameeksha Ghimire for their kind help of collecting materials.

Above all, I would like to express my deep gratitude to my husband Mr. Ambha Dutt Badu for his persistent motivation and help. To express gratitude, the words don't suffice for my parents Mr. Krishna Raj Bhatt and Mrs. Tulasi Devi Bhatt who strengthen me to bring out this thesis in its current form.
