Acknowledgements

I am very much thankful to my thesis supervisor, **Associate Prof. Dr. Surendra Mishra**, lecturer of the Central Department of Sociology Tribhuvan University, for his guidance, genuine suggestions, supports and responses for bringing this dissertation into this form. It would be impossible to complete this dissertation without his constant encouragement and support.

I would like to express my sincere gratitude to Prof Dr. **Tulsi Ram Pandey**, Head of the Central Department Sociology T.U. for his help in allowing me to conduct research in this interesting topic. Similarly, I am indebted to all the respected teachers of the Central Department of Sociology for their support, intellectual encouragement and continuous inspirations. A special word of sincere gratitude must go to my parents Tek Bahadur Budha Magar, Dil Kumari Budha Magar for being considerate and understanding and providing the moral support and space within which to complete my study. My Phupu, Bam Kumari Budha Magar are always very precious to me.

I would like to salute my best friends Maya Roka Magar/ Basant Yogi who always inspired and encouraged for my study and helped me to collect the materials, without his constant support, it would be impossible to complete this dissertation. I express my sincere thanks to the community people and the respondents of study area for their kind co-operation and support during the field study period. I cannot forget my sister (didi) Goma Budha Magar who always support me for my study. Friends and relatives have directly and indirectly helped me to bring this dissertation into this form.

Teeka Kumari Budha
