Acknowledgement

The completion of this thesis is a matter of great pleasure for me. It is the fulfillment of the partial requirements for the Degree of Master of Business Studies as well as it helps to enhance the pragmatic knowledge on the subject matter. It would not have completed without invaluable support, supervision and suggestions from my teachers, elders, colleagues and friends. Therefore, I would like to share the joy to all who owe equal credit of it.

First of all, my sincere gratitude goes to my honorable teachers as well as the thesis supervisors, Jogendar Goet for providing valuable comments, supervision and inspiration during the preparation of this thesis. I am grateful to the member of Shanker Dev Campus library, T.U. central library for providing the necessary data and required information or providing library facilities. I would grateful towards all teachers of Shanker Dev Campus family for supporting me and encouraging me. I would like to thank all the staffs of RBB who help me by providing valuable information and documents are heartily acknowledged.

Last but not least, my special thanks goes to my mother, wife and other relatives who help me directly and indirectly attributes their effort to accomplish this thesis. I also extended my gratitude to all my friends and staffs of NRB. Finally, sincerely acknowledge gratitude for the support, inspirations, suggestions and encouragement I have received from my family member & relatives in many ways during the entire period of the study.
