Acknowledgements

In undertaking this research work, I have been helped and encouraged by a number of teachers and my colleagues and friends. First and foremost, I would like to express my sincere gratitude to my respected supervisor and teacher Mr. Rajendra Prasad Tiwari for the existence of present dissertation work. His support and encouragement has played seminal role during the tedious process of providing concrete shape to my thoughts. Any attempt to extend my gratitude to him in words is actually inadequate.

Likewise, I am profoundly grateful to Dr. Man Bahadur K. C., Head of English Department, Pokhara for the approval of this dissertation in its present form. I am equally indebted to Mr. Hom Nath Sharma and Shyam Poudel for shaping my intellectual growth. Thanks to all the teachers at the department for their moral support and intellectual assistance.

I am wholeheartedly grateful to my parents, for their assistance and inspiration getting this state in my life would have been impossible. Finally, I cannot forget my friends, especially, Pradeep Khanal, Ananta Sigdel, Kamal Regmi and Raju Sharma who helped me in encouraging and assisting in every way during the period of this research work.
